

Community Dental Facilities

Richmond:

VCU School of Dentistry: 828-9190

-there is a cost for the appointment which covers an xray and exam. Acceptance into the clinic is determined by the faculty on the needs of the patient and educational needs of the student. Cost is less than private practice and payment is expected at the time of treatment. No sliding financial scale is available.

AD Williams Clinic: 828-0805

-this clinic only does teeth extraction. Payment is dependent on financial screening and a sliding scale of what the patient can afford.

Daily Plant: 649-2119

-517 West Grace St

Crossover Health Center: 233-5016

-multiple treatment options. Payment is based on a person's income and what they can afford to pay.

Vernon J Harris Clinic: 253-1973

-multiple treatment options. Payment is based on financial screening and a sliding scale of what the patient can afford.

Affordable Dentures: 804-748-4546 or 800-336-8873

-Chester, VA. Only does extractions, partials, and dentures. Reasonable rates.
