I wanted to let residents at your hospital know about the opportunities for employment at my facility. We are currently looking for an Emergency, Internal or Family Medicine BC/BE individual to work in my Emergency Department at the Charles George VA Medical center in Asheville, NC. The pay and benefits are great and well, Asheville kind of sells itself if you've ever been here. Feel free to contact me anytime. I would be happy to answer any questions or arrange a tour of our fine hospital. More information can be found @ USAJobs.gov. Good Luck everybody!
