Subject Internal medicine job near Roanoke for residents

Maia,

I spoke with Allison earlier and she gave me your email address and told me to send this information to you. This is a job opportunity in Internal medicine near Roanoke. They are looking to fill the position ASAP and are considering residents that are finishing their residency in June. Below is some information about the opportunity, if you could pass it on and if any of residents are interested please have them contact me.

Internal Medicine

Job Description

Join a multi-specialty group in private practice. The group seeks the ideal candidate (family practice or internal medicine) interested in a traditional or outpatient practice setting. Expect to see 20-25 patients per day. The practice has 20,000+ active charts and an attractive payor mix. Physician may choose to utilize the hospital's Hospitalist Program for inpatients or share in a call arrangement with other physicians. Staff privileges at this Hospital include intensive care, pediatrics and nursery. Teaching opportunities are available at the osteopathic medical school here as well.

Recruitment incentive package may include **income support, practice start up assistance, sign- on bonus, student loan repayment, stipend for last year residents, relocation allowance and marketing. SALARY - \$170,000.00 to \$175,000.00**

Area does not qualify for J-1 candidates. No H1B positions. Board certification required through the AOA or the American Board of Medical Specialties (unless residency has just been completed). MD or DO accepted.

The Practice

The practice consists of four physicians and one nurse practitioner and is located directly behind the hospital. The practice facility is a brand-new state-of-the-art complex with spacious exam rooms and offices. The successful and financially profitable practice offers a two year partnership track with no buy-in. Two opportunities currently exist within this practice.

Group Makeup: Family Medicine, Pediatrics, Gynecology
