

Internal Medicine Opportunity Available in Oklahoma City

MERCY HEALTH NETWORK in Oklahoma City is actively recruiting an Internal Medicine physician to join their expanding practice in a brand new clinic which opened in 2009 across from **Mercy Health Center**. Join an established network of 51 primary care physicians in 7 clinics (soon to be 8) located

throughout the metro and suburban area. Physicians can chose to practice outpatient only and utilize our hospitalist team or participate in the call group if they choose inpatient responsibilities. **Mercy Health Network** offers a competitive compensation and comprehensive benefits package.

MERCY HEALTH CENTER is a full-service tertiary hospital in Northwest Oklahoma City with 392 licensed beds, 2577 co-workers, and 849 physicians and is among only 2% of hospitals in the nation to be awarded Magnet Status. **Mercy Health Center** was voted the Best Medical Facility by local community members in The Oklahoman's 2008 Readers' Choice Awards.

In 2009, **Mercy Health Center** and **Mercy Health Network** will begin using the **EPIC Software System** which allows access to patient information with the same chart for inpatient and outpatient services. This innovative technology will help better manage health information and enhance patient care and safety.

No wonder **Places Rated Almanac** cited **Oklahoma City** as one of the “Best Places to Live in America”. With a population of 1.4 million people, it surprises many newcomers with the friendliness of a small town and the amenities of one of our nation’s biggest cities. The mild climate offers year-round sunshine. There's low traffic congestion and low pollution and the 2008 cost of living index is 89.2 (less than U.S. average 100).

The Oklahoma City Philharmonic Orchestra, Ballet Oklahoma, Broadway shows and the Canterbury Choral Society are just the beginning. Downtown **Oklahoma City** is going through revitalization like never before. From the 55-foot-tall glass Chihuly sculpture in the **Oklahoma City** Museum of Art to the fun of Bricktown and its fabulous restaurants to the exuberant parades and festivals.

Beautiful lakes, parks and some of the nation's best golf courses and tennis facilities also await the outdoor enthusiast. Sports fans won't be disappointed with the new NBA team **Oklahoma City Thunder** and great college football with the **University of Oklahoma Sooners**. Our professional ice hockey team, the **Oklahoma City Blazers**, attracts record crowds with its pulse pounding action.

If you or someone you know is interested in a stable healthcare environment and a wonderful, safe place to live and raise a family, please call or email me your CV.

Sincerely,

Jennifer Barnett
